Trades offered — 4 trades

#	Trade (Marathi)	Trade (English)	Eligibility
1	सोलर टेक्निशियन (इलेक्ट्रिकल)	Solar Technician (Electrical)	10th pass
2	इलेक्ट्रीशियन	Electrician	10th pass
3	कॉम्प्युटर ऑपरेटर अँड प्रोग्रामिंग असिस्टंट (कोपा)	COPA — Computer Operator & Programming Assistant	10th pass
4	वेल्डर	Welder	8th pass

💡 **Welder at 8th pass is a genuine competitive advantage.** It opens the institute to school dropouts who are excluded almost everywhere else. This deserves its own callout on the website.

need a complete details about the Admission Round and process as per DVET and our institute.

#	Question	Why it matters	Answer
1	What is the exact registered English spelling — "DEKSON" or "DEKSONS"? The pamphlet says डेक्सन (Dekson). The building sign says DEKSONS INSTITUTE.	Domain, logo, every page title, and Google listing depend on this. Cannot proceed.	
2	What is the full official name as registered with NCVT/DVET? (e.g. "Dekson Private Industrial Training Institute, Akola")	This is the name students will see in the DVET option form. It must match exactly.	
3	What is your Institute Code? Format PR27xxxxxx	★ The single most important number on the website. Without it, no student can select you in the option form.	
4	Duration and total seats (intake) for each trade:	Every trade page needs this.	
	· Solar Technician (Electrical) —	duration __ ,	seats __
	· Electrician —	duration __ ,	seats __
	· COPA —	duration __ ,	seats __
	· Welder —	duration __ ,	seats __
5	Total annual fee for each trade (and what it includes)	The first question everyone asks.	

#	Question	Why it matters	Answer
6	What is the current admission status right now? Which round is running? Are institute-level (20%) seats still open? What is the final deadline?	Determines the homepage banner.

#	Question	Answer
7	Full postal address with PIN code , exactly as it should be printed	
9	Official email address for the institute	
10	Which of the two numbers is on WhatsApp? (9503264747 / 9422893450 /both / other)	
11	Office hours , and whether open on Sundays during admission season	
12	Principal's full name and qualification (<i>no photo needed</i>)	
13	Principal's message — 4 to 6 sentences, in his own words	
16	Shri Akola Gujarati Samaj — founding year, and what else it runs (schools, trusts, charities, with years)	
17	Grievance Officer and Anti-Ragging contact person — name + phone (<i>if available</i>)	

📷 Photographs still blocking

We have **11 exterior photos only**. We have **zero interior photos**.

need all the logos images our institutete as well as affilations

some photos needed:

☐	Photo	Why
☐	Electrician workshop — wide shot	Trade page will look fake without it
☐	Welder workshop — wide shot	Same
☐	Solar Technician lab / equipment	Same
☐	Computer lab (COPA) — wide shot showing computers	Same
☐	One classroom — lights on, tidy	Trust
☐	Name board / signboard — close-up, readable	Branding + Google listing

Nice to have: auditorium, library, reception, canteen, one shot of machinery running.

How: phone held **sideways (landscape)**, sunny day, lights on, room tidied first. **also need all the logos images our institute as well as affiliations**

The message that should lead the website

Based on the DVET booklet, here is the honest, accurate answer to "*we are late*":

You can still get admission at DEKSONS. 20% of seats in every trade are filled directly by the institute, and more seats open after the 5th round. **But you must first register at admission.dvet.gov.in and pay the application fee.** Then visit us with your original documents. **Call 9503264747 — we will guide you through every step.**

This is truthful, it is specific, and it converts. It also positions the institute as helpful rather than desperate.

Please confirm this is accurate for your institute before we publish it. ← question 19
